THOUGHT FOR FOOD

Food shouldn't just be delicious. When it comes to small meetings, it should be fast, fresh and flexible.

A mid-morning energy boost, lunch to linger over and a well timed afternoon pick-me-up – it's all freshly prepared and nutritionally balanced to help you stay sharp throughout the day.

The Lunch Box

Innovation in a bento box with an individual selection of savoury and sweet dishes to enjoy while you work or take a break.

Room for Lunch

A wholesome mix of deli-style platters and tangy soups all served in the privacy of your meeting room.

Time Out

Leave it all behind and recharge in the restaurant with waiter service, or graze on a flavoursome fork buffet of hot and cold dishes and classic British puddings.

EASY DOES IT
